Subject: Property Updates Needed

Simon,

Apparently you have 2 new yards in Nebraska. I added them to the property statement of values, attached. Please help me to fill in the values blanks for all these new locations and relocations as the case may be:

Property Statement of Values 9-14-05.xls

Also need to get your current schedule of contractors equipment items and values. This one here is a year old:

Revised Off Road Equipment 9-2-04.xls

Call if any questions or I can help somehow!

Thanks,
Patrice
